NO. C12-02505 TEH

ORDER REGARDING  
SUBMISSION OF REDACTED  
DOCUMENT

11 On June 25, 2012, Plaintiff filed a motion requesting that access to the Notice of  
12 Removal in this case be restricted, in order to remedy the improper inclusion of private  
13 information on the Notice of Removal. It would, however, be inappropriate for the Court to  
14 restrict access to this docket entry entirely, and therefore the motion is DENIED. However,  
15 the Court understands the need for accommodation and protection of private information, and  
16 therefore Plaintiff is directed to re-file the Notice of Removal, with the protected information  
17 redacted from the document. Upon re-filing, the Clerk shall seal the original Notice of  
18 Removal.
